Pullman Chair and Chair Pod High-backed lounge seating for focus or collaboration.

Inviting and elegant, the Pullman Chair and Chair Pod are a flexible choice for open-plan offices, hospitality, airport lounges and educational spaces alike. Both lounge seating options are available in an appealing wide range of finishes and materials, complementing other members of the Pullman family.
In busy, open-plan workspaces, educational settings or airport lounges, it can be challenging to find somewhere quiet to do focused solo work or collaborate without interruption. The Pullman Chair and Chair Pod answer this problem. Its high back and upholstered foam panels naturally cater to acoustic privacy and comfort.

Sitting beautifully regardless of whether it's on its own or teamed with other Pullman chairs, this inviting lounge chair comes with an optional integrated tablet arm that's perfect for perching laptops, notebooks or a cup of your favourite drink, upon. Its refined and compact form remain aesthetically pleasing whilst ensuring a comfortable experience for the user.

The Pullman Chair can be specified to swivel to create even more privacy and flexibility. Adding to its capacity for customisation, this lounge chair collection also comes with a four leg option for a refined look.

Technical Specification

Servicing

If a component is damaged, we will be happy to facilitate any replacements that are required. Please email our team with an image of the damaged part and reference your order number.

Warranty

NaughtOne offers a 10-year warranty across all products. Details on the terms and conditions of NaughtOne's warranty can be found at www.naughtone.com/warranty

Flammability

The cold cure foam material has been tested to meet the following standards:
British standard: 5852:2006 Part 2
California Technical Bulletin: 117-2013
Italian standard: UNI9175-CLASS 1.IM

The flammability standard of the covering fabric is dependent on the choice made by the customer. Details of the flammability rating of specific fabrics can be found on supplier websites.

Testing

Our seating is designed to meet or exceed all EN performance requirements per BS EN 16139:2013, which includes the following tests:

— Seat and back static load test
— Seat front edge static load test
— Vertical static load on back
— Foot rest and leg rest static load test
— Arm sideways static load test
— Arm downwards static load test
— Vertical upwards static load on arm rests
— Seat and back durability test
— Seat front edge durability test
— Leg forward static load test
— Leg sideways static load test
— Seat impact test
— Back impact test
— Arm impact test

INDOOR ADVANTAGE GOLD FURNITURE

Where sustainable sources are quoted, and a chain of custody is required by a customer this must be indicated on the purchase order to NaughtOne. A chain of custody requested after an order has been placed or delivered may be difficult to recover.

Figures stated in this document may vary based on model and options selected. We have based this document on a specific example when produced in the United Kingdom. Recycled content calculations are taken from supplier information and industry averages. Material variables are likely to affect the figures which may result in higher or lower percentages.

This document will be reviewed and updated periodically and is subject to change without notice.

CSR Statement

We care a great deal about the sustainability of our products. At every stage of the process – from design to manufacturing to shipping – we seek to minimise our environmental impact. Our 10-year warranty speaks of our commitment to making quality, durable furniture that does not need to be regularly replaced. We offer FSC® certified upholstered products and use recycled metals in our table ranges. We have manufacturing facilities in North America to reduce freight miles in our largest market. And we offer an innovative Take-Back Programme that enables clients to return products to us at their end of life so we can recycle the parts. We are proud of what we have done, but we are ready to go further.
