## Eames® Rectangular Coffee Table

**Designer**

Charles and Ray Eames

**Original Production Date**

1946

**Warranty**

5 years

The elegant simplicity of the Eames Rectangular Coffee Table by Charles and Ray Eames demonstrates the designers' focus on exploration and commitment to honest materials. Its legs find shape from the technique the duo invented to mold lightweight plywood veneer into gentle curves. The rectangular top offers clean lines and a useful surface for any living, working, or lounging environment.
