Herman Miller Collection
Eames® Wire Base Elliptical Table

Designer
Charles and Ray Eames

Producer
Herman Miller

Original Production Date
1951

Warranty
5 years

Often called “the surfboard table,” this large, low design stretches out dramatically in front of a sofa or grouping of chairs. Its 20-degree beveled edge brings out the grain of the laminate plywood top, synchronizing perfectly with its signature wire base to make a striking statement.
