Airia™ Desk and Media Cabinet

**Designer**

Observatory

Original Production Date

2008

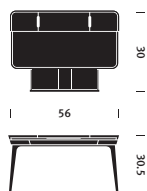

Reintroduction Date

2017

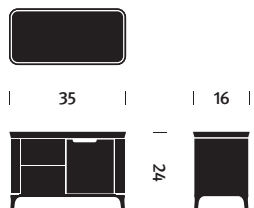

Warranty

1 year

From its elegant combination of wood and aluminum, to its thoughtfully crafted details such as corklined drawers, Airia combines beauty and functionality. Designers Ayako Takase and Cutter Hutton were motivated to design an “intelligent desk that acknowledged technology and the stuff that we accumulate when working, but do it in a subtle, integrated, and intuitive manner.”
