

Aside® Chairs

Aside gives people a comfortable place to sit, whether it's for a few seconds or hours. With its thick cushions and healthful contours, it is uniquely supportive, as easy on the body as it is on the eyes. Available with casters or glides, Aside is ideal for a variety of spaces, from multipurpose rooms to individual workstations.

Designer

Mark Goetz

Benefits

- Contoured, generously padded seat pad and back create a pocket of comfort and lumbar support, while sloping front edge reduces pressure on thighs
- Visually appealing, with a petal-shaped back and graceful profile
- Versatile, working well as a side, reception, or conference room chair

Warranty

12-year, 3-shift

Aside® Chair

Key Features

- 1. Comfort Pocket**
The contoured seat, padded with a double thickness of high-density foam, creates a pocket, so the chair is as comfortable as it looks.
- 2. Lumbar Support**
The inward curve of the petal-shaped back delivers lumbar support for long-sit comfort, and gives it a distinctive look.
- 3. Sloping Front Edge**
The seat's front edge slopes gracefully, adding to the chair's visual appeal, reducing pressure on the thighs, and encouraging good blood circulation.
- 4. Wide Range of Material Options**
Available in a wide range of upholstery choices, including vinyl/polyurethane options which are ideal for healthcare applications.
