

EZ-123 Overbed Table

A discreet addition to patient rooms, the EZ-123 Overbed Table accommodates patient needs throughout the day without ever getting in the way. Mobile and compact, the table can be rolled up to the patient's bed when it's needed and easily pushed out of the way when it's not. The base slides beneath the bed, while the large surface extends over the bed, giving patients ample space for meals, snacks, phones, tablets, books, or other personal items. Easy to adjust and position, EZ-123 makes patient rooms a bit more hospitable.
