

Luva Modular Sofa Group

Take one look at the Luva Modular Sofa Group and you'll see the possibilities of its distinct shape, inspired by both boxing gloves and Japanese futons. The back lifts up or moves down based on how you prefer to sit, and the modular pieces can be connected or separated. With Luva, you don't have to choose comfort over style—form and function are truly one in this design. It's incredibly versatile and visually irresistible.

Benefits

- **Modular:** Designed to add, rearrange, and play as much as you want
- **Tufted design:** Purposeful gathering details adds comfort and refinement
- **Ganging:** A freestanding bar connects the bottom of two seats for the sofa to be easily secured or separated
