

HermanMiller Collection

Magis Chair_One 4-Star Base

Designer

Konstantin Grcic for Magis

Original Production Date

2003

Design for the Environment

68% recycled content; 99% recyclable

Warranty

2 years

This chair by Konstantin Grcic offers both intriguing looks and surprising comfort. Modeled from die-cast aluminum and constructed like a soccer ball, it was designed to be more void than solid—and to use the least material to create the most dynamic form. It commands attention in any setting.
