Designer

Naoto Fukasawa for Magis

Original Production Date

2005

Design for the Environment

67% recycled content; 100% recyclable

Warranty

2 years

This subtle, distinctive stool gave birth to the “Super Normal” concept by Naoto Fukasawa and designer Jasper Morrison, which highlights objects that don’t call attention to themselves, but add to the atmosphere of our homes. Fashioned from lightweight aluminum, the versatile design is available in three finishes and three heights.
