Magis Officina Chair

Designer
Ronan & Erwan Bouroullec for Magis

Original Production Date
2016

Warranty
2 years

Designers Ronan and Erwan Bouroullec celebrate the ancient craft of drop-forged iron with their Officina Chair. The slender legs are made of wrought iron rods that are heated, then bent, pressed, or joined where needed. A gently curved seat and backrest made of polypropylene or leather are set on top, creating a minimal design that celebrates the inherent irregularity of hammered iron.
