Magis Steelwood Table

Designer

Ronan and Erwan Bouroullec for Magis

Original Production Date

2009

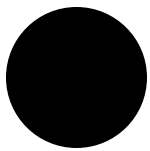

Design for the Environment

0% recycled content; 18% recyclable

Warranty

2 years

Tastefully combining the warmth of wood and the strength of steel, this versatile table adds sophistication to dinner parties and to everyday dining. Designed by Ronan and Erwan Bouroullec to develop character as it ages, it's available in round, square, and rectangular versions with solid beech legs and laminate tops.
