

Nemschoff® 2700 Series

The Nemschoff 2700 Series features clean, simple style and broad seating choices to fit any healthcare waiting area. The core of the collection consists of an armchair, plus chair, benches, and multiple seating that accommodates two, three, or four people. The multiple seating can be ganged together to create configurations of any length. Plus-size chairs offer even more versatility, making it possible to accommodate larger guests while delivering the same comfort and features found in standard 2700 Series seating.

Benefits

- Collection includes armchair, benches, tables, multiple seating, and plus chairs
- Built to deliver years of performance in heavy-use healthcare settings
- Multiple seating can be specified with or without dividing arms or intervening legs

Warranty

12-year, 3-shift

Nemschoff® 2700 Series

Key Features

1. Mortise and Tenon Joints

Joints lock together like puzzle pieces, creating a sturdy connection

2. Spring Seat Construction

Suspension system provides uniform support and keeps upholstery from puddling

3. Replaceable Components

Mechanical fasteners allow parts to be serviced in the field, increasing product lifespan

4. Clean-Out Design

Gap between seat and back makes it easy to remove debris from between cushions

5. Proprietary Finish

Durable wood finish resists scratches and stands up to hospital-grade cleansers

6. Non-Marring Glides

Rubber-cushioned glides on bottom of legs protect flooring when moving chairs
