

Nemschoff® 2750 Series

The Nemschoff 2750 Series is a comprehensive seating collection characterized by straightforward style, a solid wood frame, gently curved arms, and a small footprint. The collection is broad enough to provide a consistent look throughout your facility. For waiting rooms, there's an armchair, benches, multiple seating, and plus chairs. For patient rooms, there's a coordinating patient chair and easy access model. Broad appeal, durable construction, and design continuity are the hallmarks of the 2750 Series.

Benefits

- Coordinating seating for waiting areas and patient rooms
- Consistent style, comfort, and features throughout entire collection
- Built to deliver years of reliability in heavy-use healthcare settings

Warranty

12-year, 3-shift

Key Features

- 1. Proprietary Finish**
Durable wood finish resists scratches and stands up to hospital-grade cleansers
- 2. Mortise and Tenon Joints**
Joints lock together like puzzle pieces, creating a sturdy connection
- 3. Spring Seat Construction**
Suspension system provides uniform support and keeps upholstery from puddling
- 4. Replaceable Components**
Mechanical fasteners allow parts to be serviced in the field, increasing product lifespan
- 5. Clean-Out Design**
Gap between seat and back makes it easy to remove debris from between cushions
- 6. Non-Marring Glides**
Rubber-cushioned glides on bottom of legs protect flooring when moving chairs
