

# Nemschoff® Altair Seating

Nemschoff Altair Seating combines the warmth of a solid wood frame with gracefully curved legs and supportive cushions to make waiting feel more welcoming. The collection includes two types of seating: the Altair Side Chair, available with or without arms and supportive of patients and guests in nearly any healthcare setting, and the armless Altair Plus Chair, wider than the original, making it accessible for more people while still retaining comfort and style.

## Benefits

- Side Chair works well anywhere, while spacious Plus Chair provides a wider option
- Solid construction provides long-lasting performance in heavy-use healthcare settings
- Prominent wood frame with durable finish specially formulated for healthcare

## Warranty

12-year, 3-shift

# Nemschoff® Altair Seating

## Key Features

- 1. Solid Maple Frame**  
Strong wood frame ensures long-lasting durability
- 2. Spring Seat Construction**  
Seating suspension preserves comfort and shape over time
- 3. Proprietary Finish**  
Wood finish resists scratches and stands up to hospital-grade cleaners

- 4. Mortise and Tenon Joints**  
Frame joints lock together like puzzle pieces for a sturdy connection
- 5. Wipe-Out Design**  
Large gap between seat and back makes cleaning easy
- 6. Non-Marring Glides**  
Rubber-cushioned glides on bottom of legs prevent flooring from scuffs
