

Nemschoff® Beaumont Sleep Chair and Settee

Nemschoff Beaumont Sleep Chair and Settee transform from lounge seating during the day to a sleep surface at night, welcoming loved ones to patient rooms and encouraging them to support the healing process with their presence. Two versions are available: the Sleep Chair converts to a twin bed; the Sleep Settee converts to a double bed. With both, an easy-to-use, heavy-duty mechanism transforms comfortable lounge seating to a pull-out sleep surface large enough to accommodate overnight guests.

Benefits

- Dual-function furniture supports sitting by day and sleeping by night
- Hassle-free operation allows guests to convert at their convenience
- Durable construction delivers years of reliable comfort for guests in patient rooms

Warranty

12-year, 3-shift
(sleeper mechanism: 5-year)

Nemschoff® Beaumont Sleep Seating

Key Features

1. Removable Covers

Easy-to-remove upholstery covers can be replaced on-site if damaged

2. Arm Options

Choose fully upholstered arms or specify arm caps in wood or black urethane

3. Healthcare Friendly

Antimicrobial treatment at the head and foot minimizes the spread of bacteria

4. Replaceable Components

Mechanical fasteners allow parts to be serviced in the field, increasing product lifespan

5. Prevents Scuffs

Non-marring glides protect flooring; casters available for greater maneuverability

6. Proprietary Finish

Durable wood finish resists scratches and stands up to hospital-grade cleansers
