

# Nemschoff® Dex 2™ Folding Chair

The Nemschoff Dex 2 Folding Chair brings unexpected advantages to healthcare settings that could use convenient short-term seating. The upholstered seat is cushioned and a bit wider than normal to comfortably support guests within a range of statures. For an extra measure of comfort, the back can be upholstered too. The folding mechanism is engineered to eliminate pinch points. Plus, optional back hooks and wall-mount brackets let you hang Dex 2 out of the way when not needed—two chairs for each bracket.

## Benefits

- Comfortable short-term seating stores out of the way when not needed
- Choose upholstered seat and back or upholstered seat with wood back
- Multiple features ensure long-term performance in heavy-use healthcare settings

## Warranty
