

# Nemschoff Easton® Family

With its bold, geometric shapes, the contemporary design of Easton adds a fresh, upbeat aesthetic to waiting areas. The versatile range of seating and tables can accommodate any space or number of guests, and optional integrated power lets people stay connected while they wait. Durable metal construction and a convenient clean-out design stand up to rigorous use and frequent cleaning helping Easton maintain its welcoming look.

## Benefits

- Multiple seating and table options, including plus-size and easy access chairs, allow for design flexibility and functionality across the product line.
- Durable metal construction, clean-out design, and optional Corian® make Easton easy to own and maintain.
- Integrated power allows guests to conveniently charge their devices and stay connected.

## Warranty

12 years
