

Nemschoff® Junior 200 Children's Furniture

Nemschoff Junior 200 Children's Furniture creates an inviting, playful atmosphere in any kid area. Friendly and colorful, the child-size furniture helps to keep kids engaged and distracted, making hospitals feel more fun and less scary. The Junior 200 group consists of three coordinating pieces. There's a child-size chair that's built small for younger guests and patients, a child-size table perfect for games or drawing, and a toy box on casters that helps to keep amusement close at hand. All are available in a combination of colors.

Benefits

- Vibrant, child-size furniture makes a hospital visit or stay less intimidating for kids
- Combine primary colors for a variety of bold looks
- Multiple features contribute to long-term performance in heavy-use healthcare settings

Warranty

12-Year, 3-Shift

Nemschoff® Junior 200 Children's Furniture

Key Features

- 1. Solid Maple Frame**
Durable construction ensures long-lasting performance
- 2. Built for Safety**
Soft edges and angles keep children safe
- 3. Non-Marring Glides**
Rubber-cushioned glides on the bottom of chair and table legs protect flooring from scuffs
- 4. Proprietary Finish**
Specially formulated wood finish resists scratches and stands up to hospital-grade cleansers
- 5. Tough Table**
The child-size table features a hard-wearing laminate top that withstands heavy use
- 6. Mobile Toy Box**
Casters make it easy for parents or staff to roll the toy box wherever they want
