

Nemschoff® Merge 2 Flop® Sofa

The Merge 2 Flop Sofa makes guests feel welcome in patient rooms, providing a convenient place to visit, read, work, dine, and sleep—all in one. The sofa consists of two seats with an adjustable-height table between. When the table is lowered, the back cushion can be flopped down to convert the sofa into a sleep surface. With its all-purpose appeal, the Merge 2 Flop Sofa assists the healing process by persuading family and friends to linger a bit longer in patient rooms.

Benefits

- Back cushion flops down to convert sofa into bed—no mechanism needed
- Adjustable table—a work surface when raised and part of the sleep surface when lowered
- Seats can be configured with optional storage or elevating footrest

Warranty

12-year, 3-shift
(table mechanism: 5-year)
