

Nemschoff® Palisade™ Daystand

The Nemschoff Palisade Daystand accommodates clinicians and guests in patient rooms—whether sitting, standing, or working near the patient's bedside. It also works well as a short-term work surface for visitors in waiting areas. Alone, it's a standing-height surface. Paired with the complementary Palisade Stool, it's a seated work surface. Optional power enables people to stay connected. This versatile daystand is part of the comprehensive Palisade Collection of healthcare furniture that offers a coordinated look throughout waiting areas and patient rooms.

Designer

Jess Sorel

Benefits

- Clinicians can use it as a work surface at the patient's bedside
- Visitors can use it as a short-term work surface in waiting areas or patient rooms
- Available in two sizes—larger version accommodates two stools side by side

Warranty

12-Year, 3-Shift

Key Features

1. Easy to Move

Repositions easily by sliding on non-marring glides

2. Saves Space

When not being used, a stool can nest within the daystand

3. Wire Management

Pass-through grommet in back panel keeps cables out of sight

4. Stay Connected

Optional power hub with one outlet and two USB ports (both USB-A and USB-C)

5. Tough, Easy-to-Clean Top

Durawrap (wraparound laminate) or solid surface top

6. Replaceable Components

Engineered to allow on-site replacement of damaged components

Statement of Line
