

# Nemschoff® Palisade™ Mobile Table

Designed for use by visitors in patient rooms, the Nemschoff Palisade Mobile Table supports a variety of needs. It's a surface for eating, short-term work, and storage for personal items. Equipped with either glides or casters, the table is easy for guests to move wherever they want. The base slides under chairs or sofas to achieve the ideal position with a minimal footprint. Use this versatile table along with other products in the Palisade family to furnish patient rooms and waiting areas.

## Designer

Jess Sorel

## Benefits

- Mobile table caters to the needs of visitors in patient rooms, helping them feel welcome
- A convenient surface for food, work, or storage that's easy to move and takes up little space
- Part of a family of coordinating healthcare furniture that includes seating, tables, and storage

## Warranty
