

Nemschoff® Revive™ Guest Center

With its contemporary look and inviting attributes, the Revive Guest Center helps a patient's family and friends feel at home, welcoming them to the recovery process. It serves as a hub for visitors, accommodating seating, storage, and sleep in one compact, yet comfortable, sofa. Convenient storage for personal items is available beneath and behind the seat. When it's time to rest, the seat slides out to turn into a sleep deck. With multiple styles and options, Revive gracefully meets the needs of guests visiting patient rooms—day or night.

Designer

George Simons Jr.

Benefits

- Combines seating, storage, and a sleep surface for guests in patient rooms
- Seat converts into a sleep deck for one or two visitors—a sofa during the day, a bed at night
- Three styles and multiple options let you customize the look and function

Warranty

12-year, 3-shift
