

Nemschoff® Whisk™ Seating

Nemschoff Whisk Seating offers welcoming style, durable construction, and plenty of features that make it an inviting choice in waiting areas and other healthcare settings. The Whisk Seating family consists of stackable side chairs and spacious plus-size chairs for larger people. Supportive, curved arms on most models make it easier for users to sit down and rise again. In addition, numerous design features ensure Whisk Seating keeps looking good and working hard through years of heavy use.
